## FOREWORD

"CORNWELL" Quality Tools are hand forged as distinguished from drop forging. We use nothing but the very best grade of Electric Furnace High Carbon Tool Steel obtainable. In addition to using the most modern and efficient equipment such as Electric Furnaces, lead baths, oil quenching, and extreme care in the forging, annealing, quenching and drawing, the tools are processed by the "CORNWELL" process.

All "CORNWELL" tools, with the exception of bearing scrapers, can be, and we recommend, that they be file dressed.

You take no chance with "CORNWELL" Quality Tools. — Read the guarantee on the last page of this price list.

All prices are net F. O. B. Factory. Parcel Post and Express orders will be shipped C. O. D. upon receipt of 30% of amount of order.
